

WORKING **FOR THE MANY** NOT THE FEW

Please come along to **Whalley Range Labour's**

# WOMEN'S COFFEE MORNING

to meet with your three local Labour councillors and your Member of Parliament.

**Mary, Aftab, Angeliki** and **Afzal** will be hosting an informal coffee morning to give local women a chance to listen to the issues their councillors and MP have been working on, both locally and nationally, on behalf of the people of Whalley Range. But most importantly, this will be a chance for local women to share their views and concerns, so that their local representatives can understand how best to represent them, both locally and nationally.

**Saturday 21st April**

**10.30 am – 12 noon**

**Manley Park Community Play Centre**

York Ave, Whalley Range, M16 0AS

Tea and coffee will be served and children are welcome, but please note this is a women only event. I hope you can attend!

Best wishes
